**STIPULATION AND [PROPOSED] ORDER TO MAINTAIN STAY AND FOR  
EXTENSION OF TIME**

IT IS HEREBY STIPULATED by the parties, subject to the approval of the Court, that the currently in place stay be maintained and that the deadline to submit a proposed scheduling order due September 23, 2024 be extended for 30 days until October 23, 2024. The parties are formalizing a settlement agreement and agree on all key terms. However, the parties require additional time to finalize the agreement because of the complexity of the settlement agreement and the time required to coordinate with multiple international parties. The parties have made significant progress in preparing the final settlement agreement and will continue to work diligently to finalize the agreement before the end of this extension. The parties believe that this is the final extension that will be necessary to finalize the settlement agreement.
